## TIME FOR YOUR SEASONAL FLU VACCINE

The flu vaccine is recommended, now more than ever, for people age six months and older. Due to the ongoing COVID-19 ***pandemic, a rough flu season could cause serious issues for our communities, further reduce school attendance and stretch health care availability.***

### ***Community Flu Vaccination Clinic***

***Sept. 28 – Nov. 28, 2020***

Health Reach, 1705 SE Broadway Ave.

Albert Lea

Appointments are required through [Patient Online Services](#) or call 507-668-2121.
