

# REFERRAL FORM 2025

Please fill out the information for each member of the household, including the grown-ups, if they would like to be adopted! List items that they need such as clothes and then a few special wish items. Does anyone need fun jammies or fuzzy socks? Are they Bluey or Star Wars fans? Favorite snack foods are popular with teenagers! If something is not needed or wanted for the specific size request, just simply put "N/A."

The information shared on this form will be anonymously shared with members of the community in print and digital media for the purposes of donor matching.

- ☒ Family gives permission for UWFC staff to speak to referring provider for the purpose of fulfilling wish lists and addressing barriers.
- ☒ In the unlikely but possible event that the donor is unable to fulfill their commitment, UWFC may be unable to re-match the family for adoption. UWFC does not bear the burden of replacing gifts for the family.

## Family Story:

Use this space to tell your family's story. It might be a little bit about yourself or about how this season is a struggle and the challenges you face. This story will be shared with adopters and **posted publicly**. Please do not use any identifying information in this section. You may write on a separate piece of paper if it is easier for you and include it with the forms. UWFC reserves the right to edit or exclude content to protect privacy.

I am a mother of four children--one who passed two years ago and three of the most sweet, loving, energetic kids. I am a single mother, and the father is in prison. The kids and I love spending family time together, whether that's playing outside, puzzles, watching a movie or keeping me on my toes.

## Family Story Continued:

UWFC Note: We are keeping information simple to protect privacy. This is a family that experienced domestic violence, and while they're out of the "crisis" mode for now, the provider noted that mom has been so focused on work, taking care of her children and the criminal process that there isn't much room for anything else. Provider stated, "I want her to have the joy and to celebrate Christmas with her babies.". We recognize this might be difficult--so we are happy to help brainstorm. Ideas might include a family membership to the Y so she can take the babies/toddlers there and enjoy the toddler gym, or utilize Child Watch while she works out, etc. Clothing, consumable household goods, consider baby wipes and diapers (we will ask about brand/sizes) or toddler snacks. It may help to consider toddler/preschool items as a whole rather than for each individual child--think like a children's tent for those super cold winter days or puzzles and books that all three of them would benefit from!
